

# RYAN GAVIN

**Bring the big, exciting sound of Maine's #1 radio station to your next school event!**

Ryan Gavin specializes in Middle and High School dances and events across Maine. Our events are high-energy, exciting for students, and they bring the community together.

*We're booking 2017 spring dances, Proms, fall dances & Homecoming events right now!*

*For school events, our music library is 100% clean and obscenity-free.*

## Top-Notch Entertainment to Meet Any Budget

Whether you're planning a Prom, celebrating Homecoming, or just a spring fling or Friday night dance, we can tailor our presentation to your event's budget. All of Ryan's events include big, exciting sound with clean popular music, the ability for students to make appropriate requests, and a powerful light show to turn your gym or cafeteria into a dance floor!

## Giving Back to Our Community

Before school dances, have students or staff select a local group, school team, club or other community organization, and we'll personally donate 10% of the proceeds from entry tickets directly to the group! We'll also generate social buzz ahead of your event to maximize impact.
